

Professional Development Fee Schedule FY12

The following table describes our fee schedule (effective July 1, 2011) for online, on-site (face-to-face) and Collaborate based workshops:

- Most online workshops have a maximum capacity of 20 participants per session.
- On-site (face-to-face) workshops generally have a capacity of 20 participants but this is dependent on the requesting institution's computer room capacity.
- Collaborate based workshops have a variable maximum capacity that is dependent on the number of physical connections.
